

GROWING FASTER THAN ALMOST ANY
OTHER MAJOR ILLNESS,

LUNG DISEASE

(including lung cancer, asthma and emphysema)

IS THE THIRD LEADING CAUSE OF DEATH IN
THE UNITED STATES.

Sponsorship Proposal / 2024

SUPPORT MY CYCLE

for clean air & healthy lungs

Event Highlight

\$750,000 DOLLAR FUNDRAISING GOAL

180 miles | 3 days | 800+ Trekkers | 200+ Volunteers

EMPOWER YOUR EMPLOYEES TO GIVE BACK

We want to help YOU give back to the community, while both encouraging and empowering your employees to do the same. In June, your employee, will be participating in the 40th Annual Trek Across Maine in support of clean air and lung health, and we want you to support them.

It's simple! Your organization can help by sponsoring your employee \$550 (minimum fundraising requirement of \$550 per person) OR you can support with a matching gift.

Please consider making your gift of support today!

WHAT'S THE BENEFIT?

- Social media recognition
- Recognition in monthly e-newsletter
- Company name and/or logo will appear on event website (to include direct link)

Donate a minimum of \$550 to receive these benefits from the Trek Across Maine.

SAVING LIVES THROUGH RESEARCH, EDUCATION, AND ADVOCACY

Breathing is essential to life. From our first breath to our last, every breath counts. That's why the American Lung Association is dedicated to supporting healthy lungs and clean air, making an impact in your community and across the nation.

We are here to make this easy! For more information, email Chrystal at Chrystal.Toner@lung.org or call 207-624-0312
